Dear Mayor [REDACTED],

RECEIVED

FEB 19 2019

Initial: 

I'm part of the Executive Team that is helping organize the March for Babies walk at the Detroit Zoo. Since 1998, the Oakland County employees have participated in the March for Babies. The reason we worked so hard is simple, every baby deserves the best possible start.

The world has changed so much since I started volunteering my time with the March of Dimes, but their work is relevant as ever. Every 4 ½ minutes, a baby is born with a birth defect in our county. And 1 in 10 babies was born too early in the United States last year.

All the funds raised with the walk is used to support families through every stage of the pregnancy journey, especially when everything doesn't go according to plan.

I know that you and your team care about these families as I do, because they are our coworkers, customers, family and friends. I realize that my letter may or may not have arrived at the right time. However, my goal is to connect as many people as I can to a mission that has touched many families in our county. The walk isn't until April 28, 2018, but we are reaching out to you now to invite you the March for Babies Kickoff Breakfast to be held at St. Joseph Mercy Oakland, a grantee of the March of Dimes, on Thursday, February 28th from 8:00 a.m. to 9:30 a.m.

If you can join the breakfast or if you would like to hear more about ways to get involved to help, I'd ask you to reach out to our local March of Dimes staff member, Enna Whitted at ewhitted@marchofdimes.org or 248.359.1560. She would be happy to provide you with information about the walk, fundraising with your employees, or becoming a sponsor. I can be reached at bertolinip@oakgov.com

Looking forward to finding ways we might be able to work together for these families!

Sincerely,

Phil Bertolini

HEALTHY MOMS. STRONG BABIES.

Here's how March of Dimes leads the fight for the health of all moms and babies:

RESEARCH

We fund and support research at our Prematurity Research Centers and in promising areas to find solutions and make lifesaving breakthroughs.

EDUCATE

We offer resources and programs that help moms before, during and after pregnancy and give medical professionals the tools and best practices they need.

ADVOCATE

We fight for policies in the halls of government that prioritize the health of moms and babies.

UNITE

We bring together organizations and professionals from diverse backgrounds to identify and act on solutions to improve equity and preterm birth prevention.

SUPPORT

We comfort and assist moms and families throughout every stage of the pregnancy journey, even when things don't go according to plan.

PARTNER

We partner with community organizations and health care providers to ensure moms and families have access to programs and services that support healthy pregnancies.

EACH YEAR IN MICHIGAN
