

Draft Minutes of the May 5, 2018 Planning Commission Walking Field Trip to E. Washington St. Clarkston Michigan 48346

1.The walk on E. Washington began on the SE corner of E. Washington and Buffalo Streets at 8:45 a.m.

2.Little, Haven, Luginski, Schoebel, Rogers present

3.The Agenda was to explore parking options on E. Washington St.

4.Councilman Scott Reynolds was in attendance and shared the parking options created by City Engineer Gary Tressel of HRC. Parallel parking spaces 8 feet and 4 feet wide were presented .Options ranged from no parking, parking on one side of the street to parking on both sides of the street. Council Reynolds stated that the vast majority of E. Washington residents were in favor of some type of parking on their street. The over- riding sentiment of Mr. Reynolds was a safety issue allowing emergency vehicles to navigate the street. The Planning Commission will take the observations witnessed on the walk into consideration at their next meeting.

5.The Field Trip concluded at 9:30 a.m.
